Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Eight short, erotica and romance stories involving paranormal creatures like vampires, werewolves, mummies, and more, from a lesbian author intended for a lesbian audience. The stories are split down two lines: one lighter and more romantic and the other darker and kinkier in their content. The darker sexual themes run the gamete of coercion, reluctance, lost loves, voyeurism, mind-control, domination/submission, and BDSM--a taste for every palette and kink, while the lighter side touches on first romances, first loves, intimate relationships, and the sweetness of committed couples. Cassandra Duffy/Lizzy Dark encompasses the full experience of living and loving as a lesbian while adding playful humor, some scares, and possibly even tears on the backdrop of a sexually rich paranormal setting.
