## The Collapse of the Three Story Universe: Christianity in an Age of Science

By Sobell Department of Motor Neuroscience and Movement Disorders Daniel Wolpert

Createspace, United States, 2013. Paperback. Book Condition: New. Trey Everett (illustrator). 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose of this book is to try and present a series of images that will allow us to understand how it is indeed possible for an invisible being, God, to be part of our material reality, the universe, in a manner that is both significant and consistent with what we currently understand about that reality. This work is organized along theological lines, using theological categories from the Christian faith as a framework on which to paint this new image. This exploration also relies on contemplative practice and teachings as a method for examining reality, as the spiritual tradition will help us see all things new. Such a discussion will be useful on several fronts. One is for the person of faith inside the church who may, consciously or unconsciously, be anxious about discussing a faith built upon a model of reality, the Three-Story Universe, they know to be false. I believe that if this person had another more consistent model or image to draw from that they would be more confident about being a...
