

Joint Application Development

By Wood, Jane; Silver, Denise

Wiley, 1995. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: From two leading JAD innovators- everything you need to become a first-class JAD facilitator If you're an IS professional, you've probably heard quite a bit over the past few years about JAD's amazing track record in computer system design. But have you also heard that JAD techniques are now being used in companies worldwide to help facilitate everything from planning mergers to new product development? The demand has never been greater for first-class JAD facilitators and now this book helps you to become one. No dry academic treatise, this lively, hands-on guide bridges the gap between theory and practice with: Detailed, step-by-step guidance on running JAD workshops from start to finish- from project definition, research, preparation, and running sessions, to final documentation Dozens of useful agendas, checklists, sample documents, memos, visual aids, and more A gold mine of eye-opening "war stories" and helpful hints from facilitators across North America and Europe Completely updated and revised to reflect JAD's prominent new role in corporate decision-making, this Second Edition of the "JAD facilitator's bible" now features new and expanded coverage of how to: Manage group dynamics,...
