

Handbook of Human Molecular Evolution (Hardback)

By -

John Wiley and Sons Ltd, United States, 2008. Hardback. Book Condition: New. New.. 272 x 202 mm. Language: English . Brand New Book. This splendid compendium will be the standard reference work for years to come: a handbook to browse, to consult, to look things up in, and to read with pleasure, wonder and post-Darwinian exhilaration. Richard Dawkins This is a marvellous book. It should be in every university library - preferably in several copies - and every reader of this journal should add it to their next grant application. It really is that good. I have already found this book to be invaluable. For many years to come, these two volumes will be the starting point for anyone wishing to find out about virtually any subject relating to human genetics. Any scientist working on humans or other animals will find many things in these pages that will stimulate, inform and inspire. The authors, editors and publishers are to be congratulated for their work. order a copy now! HUMAN GENETICS The publishers and editors deserve to be congratulated for publishing this major book which coincides with the 200th anniversary of the birth of Charles Darwin. The book is well-timed, with biologists, theologians and sociologists engaged in...
