We Are All Made of Molecules

By Susin Nielsen-Fernlund

Ember, United States, 2016. Paperback. Book Condition: New. 206 x 140 mm. Language: English . Brand New Book. There s so much to love about this story . . . but what grabbed me the most is the humor. Christopher Paul Curtis, winner of the Newbery Medal Award-winning author Susin Nielsen has created two narrators who will steal your heart and make you laugh out loud. Thirteen-year-old Stewart is academically brilliant but socially clueless. Fourteen-year-old Ashley is the undisputed It girl in her class, but her grades stink. Their worlds are about to collide when Stewart and his dad move in with Ashley and her mom. Stewart is trying to be 89.9 percent happy about it, but Ashley is 110 percent horrified. She already has to hide the real reason her dad moved out; Spewart could further threaten her position at the top of the social ladder. They are complete opposites. And yet, they have one thing in common: they like everyone else are made of molecules. Praise for Susin Nielsen Nielsen is a wonderful writer, smart, engaging, entertaining. CM magazine Nielsen has real talent for comedy, zoning in on just the right level of snark. Kirkus Reviews What Other...

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and i suggested this book to find out.
