Do you wish to be successful in your personal and professional life Perhaps you have previously been successful and then, like millions of others, suffered at the hands of the 2008 - 2012 global recession and now seek to get back to where you were, and beyond You may be similar to me - someone who experienced sustained career success, started a business, was initially successful and then was hit by a massive business failure (Unplanned Outcome) and feared going for it once more I was very successful throughout an initial career spanning 24 years, which included being promoted on seven separate occasions. I then started my own business, was initially successful and then suffered this huge Unplanned Outcome, returning me to Planet Earth with a massive bump, down to a level far lower than I or my family had ever previously experienced or endured. That was a really tough 5 years, leaving me with a substantial business debt! I also realised that I had managed to work my way DOWN the ladder of success, from a comfortable 50, 000 a year income to near bankruptcy and then scrambling my way back up to the dizzy heights of 6. 50 per hour (7. 50 an hour on 12 hour night shifts), working on the floor of a food factory which, on many occasions, included just cleaning that factory floor! I then turned it all around. I secured a Contract Of A Lifetime, with a UK tax-paid equivalent income of 250, 000 plus multiple benefits. I am now in the process of advanced progression once more, taking further ACTION on plans that will lead to even greater success in...
