### **Reviews**

*If you need to adding benefit, a must buy book. It is really simplified but excitement from the 50 percent of your book. I discovered this book from my dad and i recommended this book to understand.*

*(Dorothy Sawayn)*

## THE HELMET OF HORROR: THE MYTH OF THESEUS AND THE MINOTAUR

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Victor Pelevin, the iconoclastic and wildly interesting contemporary Russian novelist who The New Yorker named one of the Best European Writers Under 35, upends any conventional notions of what mythology must be with his unique take on the myth of Theseus and the Minotaur. They have never met, they have been assigned strange pseudonyms, they inhabit identical rooms that open out onto very different landscapes, and they have entered a dialogue they cannot escape a discourse defined and destroyed by the Helmet of Horror. Its wearer is the dominant force they call Asterisk, a force for good and ill in which the Minotaur is forever present and Theseus is the great unknown. The Helmet of Horror is structured according to the way we communicate in the twenty-first century using the Internet yet instilled with the figures and narratives of classical mythology. It is a labyrinthine examination of epistemological uncertainty that radically reinvents the myth of Theseus and the Minotaur for an age where information is abundant but knowledge ultimately unattainable.
