

The Real Chronicles of Love: Love Abounds

By Jack Mogashoa

Partridge Africa, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a compilation of poems mostly inspired by family, friends, deep longings, and the need to be closer to God, building a personal relationship with him. Each poem has a specific feel that I hold to heart. I see them as a voice from the deep thoughts I have within. To others, understanding it was difficult when spoken, but having them on paper eased the whole transaction. I've always felt at heart that we all need love, that someone has unconditional love that is unmerited for us, and that love outgrows the love we share with man each day. Love calls us by name and wants to have that intimate relationship with us, and that's the real chronicles of love.
