Penguin Books India Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, Kasab: The Face of 26/11, Rommel Rodrigues, The audacious terror attacks jolted Mumbai like never before. Even as they mourned, the residents of Maximum City demanded answers. But the information they got in return - accounts of the investigation, government rhetoric, newspaper reports, television features, books and even a film - was sketchy at best. Meanwhile, the courts continued with their prosecution of Mohammed Ajmal Amir Kasab, the lone surviving 26/11 gunman. The broad picture available to the public is of the Pakistan-based terrorist organization Lashkar-e-Taiba and its ringleaders such as Hafiz Muhammad Saeed and Zaki-ur-Rehman Lakhvi training, arming and dispatching ten young men in a boat to attack India's commercial capital. All we have been told about Kasab is that he was just another recruit brainwashed into carrying out the plot against Mumbai. Kasab: The Face of 26/11 breaks new ground by painstakingly piecing together Kasab's terror trail. The narrative follows Kasab through the bylanes of Pakistani villages and cities as he made his way towards PoK; the dense forests where the terrorist-training camps are situated; the trains, buses and jeeps he boarded; the Indian vessel he and the others hijacked en route to Mumbai's shores; Kasab's capture and incarceration. Rommel Rodrigues' path-breaking investigative journalism fleshes out for the first time the well thought-out planning and organization that lay behind the attacks of 26/11.
