Notes on Dragons

By Christopher Bramley

Sanctum Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered how Dragons might exist? How they could fly, how they might live and think, how they could breathe flame? Few other non-extant creatures exert such a powerful influence over many so cultures, and their languages and perceptions, around the world. In some ways, they represent the pinnacle of our desires - the absolutes of beauty, freedom, flight, power, magic, and wealth. Combining the might and power of western myths and the mystery and magic of eastern legends, the Dragons that exist in the world of Kuln are different from any you have seen before. This is a short and detailed look into their anatomy, intellect, and how they might really work, in excerpts from the notes of Aldwyn Varelin - a pre-eminent scholar in Anaria - during his journeys in The Serpent Calls, Book One of the Chaoswar Trilogy.
