Crossing Press,U.S., United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Unique, unchanging, and formed five months before birth, fingerprints have been an accepted and infallible means of personal identification for a century. In LIFEPRINTS, Richard Unger presents a groundbreaking method of self-discovery and offers a daily compass for meaning and fulfillment. Combining the science of dermatoglyphics (the study of fingerprints and related line and hand shape designations) with the ancient wisdom of palmistry, the LifePrints system is a simple yet profoundly accurate means of mapping one s life purpose. Like examining an acorn to know what kind of oak tree may one day emerge, reading our fingerprints reveals who we are meant to become. A guide to discovering one s life purpose by decoding the map revealed in our unique combination of fingerprints. This new system is based on the author s 25 years of research and fingerprint statistics for more than 52,000 hands. Features step-by-step instructions for identifying the fingerprints and mapping the life lessons for reaching our full potential. Includes detailed case studies plus fingerprint readings for Albert Einstein, John F. Kennedy, Amelia Earhart, Walt Disney, Susan B. Anthony, Martin Luther King, Charles Manson, and others. Reviews This 286 page find brings palm-reading to a whole new level. I was impressed and amazed at the way the author could first, present such a difficult concept in an easy manner, and then to explain it in such a way that it made perfect sense. I could just by following along with the simple step by step guidelines learn how a line here, or a length there could truly determine not only the path my life might take, but what means I would use to get it there. The archetypes were...
